1. Receipt is acknowledged of the response filed on 03 February 2006, which has been entered in the file.

Allowable Subject Matter

2. Claim 63 is allowed.
3. The following is an examiner's statement of reasons for allowance:

Although, the best prior art of record to Sherman et al. (US 6,189,788) discloses a portable data collection terminal comprising having a radio frequency transceiver for communicating information for conducting transaction.

However, it would have not been obvious to one of ordinary skill in the art at the time the invention was made to operate the host processor to hierarchically determine authorized functions of the mobile terminal available to the user, communicate a message using the radio data communication to the terminal identifying available authorized function for the user of the mobile terminal, and operating the host processor to provide the mobile terminal user selected ones of the authorized functions to the terminal as set forth in the claim and presented by the applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
